Lots of shit has changed and it's kinda fucked up to see

You remember Tauseen nigga thick slice of dream
Go out fast for the buck do anything for the cream
Never seen a case like this, although it's quite contageous
He even got his little brother actin all outrageous
From dusk to dawn, and from dawn back to dusk
They do anything and everything, tryin to come up
It's kinda sickenin, how the cash is so fuckin addicted
And when I say son wild they say that that's conflicted
Ain't nothin but a contradiction in this world we live in
Cause the loot is for the takin, and not for the givin
