

Sleep

The Roots

[Verse 1: Aaron Livingston]
Like when autumn leaves fall
Down from the trees
There goes, my honey bee
I've lost a lot of sleep to dreams
And I do not miss them yet
I wouldn't wish them on than worst of enemies
Let them burn, go from here
Like when autumn leaves
[Verse 2: Black Thought]
To catch a thief
Who stole the soul I prayed to keep
Insomniac
Bad dreams/Got me losing
Sleep
I'm dead tired
My mind playing tricks
Deceit
A face in the glass /Unable to admit defeat
All that I am all that I was is history
The past unraveled adding insult to this injury
I'm fighting the battle for the soul of the century
Destiny is everything that I pretend to be
Look, and what I did came back to me eventually
The music played on and...
Told me I was meant to be awake
It's unresolved
Like everything I had at stake
Illegal activity controls
My black symphony
Orchestrated like it happened
Incidentally
Oh... there I go
From a man to memory
Damn
I wonder if my fam will remember me
[Verse 3: Aaron Livingston]
I've lost a lot of sleep to dreams
And I do not miss them yet
I wouldn't wish them on the worst of enemies
Let them burn, go from here
Like when autumn leaves
