

## Step Into the Realm

### The Roots

Step into the realm, you're bound to get caught  
And from this worldly life you'll soon depart  
Step into the realm, you're bound to get caught  
And from this worldly life you'll soon depart  
Step into the realm, you're bound to get caught  
And from this worldly life you'll soon depart  
Step into the realm, you're bound to get caught  
And from this worldly life you'll soon depart

Yo, I walk across this world that's deceptive  
Beats are perfected, the ghetto's infested  
With more destruction, my vocal eruption  
Was speakin bout corruption with no introduction  
Approach me with caution cause I spark losses  
M-Illitant the rap arson, marchin  
Leavin niggas stiff like I'm starchin, departin  
Hollywood Sambos and jokes just like Martin  
I'm the type of nigga that belong in a war  
With a mic and a cord, to hold your head with a sword  
Some proclaim lames, callin theyselves bold  
They shall be flawed, when the claps applaud  
If this a point of life, one I can't afford  
Then I have to get sheist and I deal in fraud  
Now back to the topic of the rap philosopher  
With more drama than a soap opera  
Who stops the propoganda, the hot block commander  
Puttin a halt to all the backtalk and slander  
Warn every challenger about the silencer  
Muzzle in your mouth for the days that's on the calendar

Step into the realm, you're bound to get caught  
And from this worldly life you'll soon depart  
Step into the realm, you're bound to get caught  
And from this worldly life you'll soon depart  
Step into the realm, you're bound to get caught  
And from this worldly life you'll soon depart  
Step into the realm, you're bound to get caught  
And from this worldly life you'll soon depart

I'm from the valley of the heavyheads, watch the ghetto pre-medical  
Undergrads and steady red faces of stone  
Eyes are crevices, life like a double negative  
Philly criminal, I rhyme my dirt Tariq already did  
Buildin this Fifth foundation in the wilderness  
Thought-less, trespass and enter Thought's fortress  
Limitless entrance, paid to the order of the  
Cypher slaughterer, my mic slappin you senseless  
Defenseless, niggas never movin me inches  
The beat Fifth, invisi-ble in the trenches  
Afficiando, awesome hip-hop drug problem  
Fuck stardom, and chickens up in Gotham  
Poltergeist, slit or choke the mic til it scream to me  
Stop that, cash we conveniently got that  
I stroll through your scenery cocked back  
Me and Hot Mack, the nine-eight, El Dorado Cadillac Jacks

Step into the realm, you're bound to get caught

And from this worldly life you'll soon depart  
Step into the realm, you're bound to get caught  
And from this worldly life you'll soon depart  
Step into the realm, you're bound to get caught  
And from this worldly life you'll soon depart  
Step into the realm, you're bound to get caught  
And from this worldly life you'll soon depart
