

# Wake Up Everybody

The Roots

Wake up everybody  
No more sleepin' in bed  
No more backward thinkin'  
Time for thinkin' ahead

The world has changed  
So very much  
From what it used to be  
There is so much hatred  
War and poverty, whoa, oh

Wake up, all the teachers  
Time to teach a new way  
Maybe then they'll listen  
To what'cha have to say

'Cause they're the ones who's coming up  
And the world is in their hands  
When you teach the children  
Teach 'em the very best you can

The world won't get no better  
If we just let it be, na, na, na  
The world won't get no better  
We gotta change it, yeah  
Just you and me

Wake up, all the doctors  
Make the old people well  
They're the ones who suffer  
And who catch all the hell

But they don't have so very long  
Before the Judgment Day  
So wont'cha make them happy  
Before they pass away

Wake up, all the builders  
Time to build a new land  
I know we can do it  
If we all lend a hand

The only thing we have to do  
Is put it in our mind  
Surely things will work out  
They do it every time

The world won't get no better  
If we just let it be, na, na, na  
The world won't get no better  
We gotta change it, yeah  
Just you and me

It's the God hour, the morning I wake up  
Just for the breath of life I thank my maker  
My mom say I come from hustlers and shakers  
My mind builded on skyscrapers and acres

He said take us back to where we belong  
I try to write a song as sweet as the Psalms  
Though I am the type to bear arms and wear my heart on my sleeve  
Even when I fell in God I believe  
We the days at  
Weave through the maze and the season so amazing  
Feed them and raise them  
Seasons are asian  
Earthquakes, wars and rumors  
I want us to get by but we more then consumers  
We more than shooters  
More than looters,  
Created in his image,  
So God live through us,  
And even in his generation living through computers  
On love, love, love can reboot us

Wake up, everybody  
Wake up, everybody  
Need a little help, y'all  
Yes I do, need a little help

Need a little help, y'all ay  
Wake up everybody  
Wake up everybody  
Wake up everybody
