Wake Up Everybody

The Roots

Wake up everybody No more sleepin' in bed No more backward thinkin' Time for thinkin' ahead

The world has changed So very much From what it used to be There is so much hatred War and poverty, whoa, oh

Wake up, all the teachers Time to teach a new way Maybe then they'll listen To what'cha have to say

'Cause they're the ones who's coming up And the world is in their hands When you teach the children Teach 'em the very best you can

The world won't get no better
If we just let it be, na, na, na
The world won't get no better
We gotta change it, yeah
Just you and me

Wake up, all the doctors Make the old people well They're the ones who suffer And who catch all the hell

But they don't have so very long Before the Judgment Day So wont'cha make them happy Before they pass away

Wake up, all the builders Time to build a new land I know we can do it If we all lend a hand

The only thing we have to do Is put it in our mind Surely things will work out They do it every time

The world won't get no better
If we just let it be, na, na, na
The world won't get no better
We gotta change it, yeah
Just you and me

It's the God hour, the morning I wake up Just for the breath of life I thank my maker My mom say I come from hustlers and shakers My mind builded on skyscrapers and acres

He said take us back to where we belong I try to write a song as sweet as the Psalms Though I am the type to bear arms and wear my heart on my sleeve Even when I fell in God I believe We the days at Weave through the maze and the season so amazing Feed them and raise them Seasons are asian Earthquakes, wars and rumors I want us to get by but we more then consumers We more than shooters More than looters, Created in his image, So God live through us, And even in his generation living through computers On love, love can reboot us

Wake up, everybody
Wake up, everybody
Need a little help, y'all
Yes I do, need a little help

Need a little help, y'all ay Wake up everybody Wake up everybody Wake up everybody
