

Make Out Song

The Rosebuds

Do do do doo doo, do do do
Do do doo doo, do do doo do

Put down those car keys
And come back to bed
Wait in the far east
There's nothing left
No nothing left

Do do doo doo, do do doo do
Do do doo doo, do do doo do

And off with the make up
Let's see your eyes
Your aveed is so sweet
By my side
Let's leave this lonely tease
Tonight

Do do doo doo, do do doo do
Do do doo doo, do do doo do

True love is more than
A make out song
Waited to tell you
Way too long
Wait a little bit

Do do doo doo, do do doo do
Do do doo doo, do do doo do

We've been forever
For two years now
First time i kissed you
I almost died
So maybe there's more than love tonight
So maybe sometime

Do do doo doo, do do doo do
Do do doo doo, do do doo do
