

Waiting For You

The Rosebuds

And I tried to be myself
(And I'm waiting for you)
And I tried to come around
(And I'm waiting for you)
And I've tried to leave my way)
(And I'm waiting for you, and I'm waiting)

I don't want to spend the rest of my days
Living in a world confusing to me
I don't want to have it all
I don't want to bring the trouble I bring

And I tried to make a start
(And I'm waiting for you)
And I tried to come around
(And I'm waiting for you)
And I arrived on my own
(And I'm waiting for you, and I'm waiting)

Spend a little bit of time with my baby
Spend a little bit of time with my other half
Spend a little bit of time with my baby
Spend a little bit of time with my other half

And I tried to be myself
(And I'm waiting for you)
And I tried to build my home
(And I'm waiting for you)
And I tried not to come undone
(And I'm waiting for you)

And in the middle of night
I don't know who I am
When you turn off the lights
I don't know where I am
Sometimes at night I just drive around
(And I'm waiting)
