

# Busy Busy

## The Royal Concept

I thought I'd let you in  
On a secret  
I thought you'd like to know, know

I always misbehave  
'Cept on weekends  
Then I sort you out, out

Wait  
I'm bleeding  
From all the knives you've thrown, thrown

To kill is such a thrill, you say  
Crash your silly dreams  
Crash your silly dreams  
Smash 'em like a bug now

And I'm still bleeding from you're loaded guns  
Alright!

I'm a busy, busy man  
With your heart in my hand  
I got your number, I will dial  
'Til you sort yourself out  
You say I always choose  
Always choose  
Myself over you

I'm a busy, busy man  
With your heart in my hand  
You keep me waiting for my change  
With my heart in your hand  
And now my fire's out  
Fire's out!  
Fire's out!

And now you say that we're alright

Hey  
I'm burnin'  
From all your loaded guns, guns

I wish you'd give it up  
Like I did  
We're better of that way, way

It's funny how it goes these days  
Crash your silly dreams  
Crash your silly dreams  
Smash 'em like a bug now

And I'm still bleeding from you're loaded guns  
Alright!

I'm a busy, busy man  
With your heart in my hand  
I got your number, I will dial

'Til you sort yourself out  
You say I always choose  
Always choose  
Myself over you

I'm a busy, busy man  
With your heart in my hand  
You keep me waiting for my change  
With my heart in your hand  
And now my fire's out  
Fire's out!  
Fire's out!

I g-g-g-got your heart in my hand  
I got your number I will dial  
'Til you sort yourself out  
You say I always choose  
Always choose  
Myself over you

I'm a busy, busy man  
With your heart in my hand  
You keep me waiting for my change  
With my heart in your hand  
And now my fire's out  
Fire's out!  
Fire's out!

I'm so  
Busy, busy, busy, busy  
Busy, busy, busy, busy  
Busy, you're so busy, wizzy, busy, busy  
And now my fire's out  
Fire's out!  
Fire's out!  
And now you say that we're alright
