Judy run run Judy run run
Judy run run Judy run run

Judy run run back to where you're from

Girl it's just ain't fair
What you want me to do
Got to run all the time girl
Just for you
You know that guy never was any good
He ain't never gonna treat you any good
Yeah Yeah Yeah Yeah Yeah Yeah Yeah

Judy run run Judy run run
Judy run run Judy run run
Judy run run Judy run run
Judy run run back to where you're from

Turning on to the night
Turning on every light
I've never known why
You don't treat me right
You know that guy never was any good
He ain't never gonna treat you
The way he should
Yeah Yeah Yeah Yeah Yeah Yeah Yeah

Judy run run Judy run run
Judy run run Judy run run
Judy run run Judy run run
Judy run run back to where you're from

Run run Judy Judy Judy run run
Back to my arms where you come from
And though you treat me the way you do
I still love you girl you know I do
Yeah Yeah Yeah Yeah Yeah Yeah Yeah

Judy run run Judy run run
Judy run run Judy run run
Judy run run Judy run run
Judy run run back to where you're from

Turning on to the night
Turning on every light
I've never known why
You don't treat me right
You know that guy never was any good
He ain't never gonna treat you way I do
Yeah Yeah
