

Julia

The Rubettes

Julia surely don't do it
Julia surely don't need it
You met a guy with a fancy car
He gave you the eye, said he makes you a star
And you gage in and you let him
Julia

Julia surely don't do it
Julia surely don't need it
You met a guy who carried a gun
You gave him your heart 'cause he didn't have one
You shot him dead now you gotta run
Julia

I can't be held responsible for your irresponsible behaviour
All I know is if i stood by, no one else would save you

I love you, I love you love you love you
I love you, I love you love you love you
I love you, I love you love you love you

Julia surely don't do it
Julia surely don't need it
Julia, Julia, Julia.....
