

Something's Coming Over Me

The Rubettes

Listen to me

Something is wrong
Up to my eyes in sorrow
Something's coming over me

And I don't know why

Watching the clock

Where have you gone
Will you be home tomorrow
Something's coming over me

And I don't know why

Could it be you that started this old feeling
Haven't a clue, all I know
Is I just want to die

Sitting in bed

Holding my head
Courting my box of matches
Something's coming over me

And I don't know why
Girl I don't know why

Ooh could it be you that started this old feeling
Haven't one clue but all I know
Is I just Want to die

Sitting in bed

Holding my head
Striking my box of matches
Something's coming over me

And I don't know why

Do da Dooh, Doo Da Dooh Doo
Doo Da Dooh, Doo Da Dooh Doo
Something's coming over me
