

## Your Love

**The Rubettes**

I want to love someone  
Like you, like you, oh I do

And I want to be somewhere  
With you, with you, oh I do

And your love, Your love,  
Your love is all I need

Yes I need

I need your love  
Your love is all  
All I need

I needed to give you my love  
To give you my love  
So please don't refuse me  
You'll see someday  
Yes, you'll see.
