The Ruins of Beverast

For the glory of God... let none of them be blameless
Beware of relieving them from the righteous wrath
When she doth transgress, she doth beyond all inquisition
... vel reperitur solum diffamata de haeresi generaliter
... and we impose canonical lustration upon thee
A humiliating oath of the morbid one
Touch the Gospels...
... vel reperitur ultra infamiam questionibus et tormentis exp
onenda aliquialiter
... and we celebrate torturous interrogation upon thee
Blood from the mouth and the Bishop's erection

a certitudinaliter
... and the charity, oh!... we lavished upon thee!
A triumph of beloved damnation, oh atrocious damnation!
Thou art now profane in death!
... vel reperitur non confessa sed convicta de haeresi
... and impenitence igniteth the darkest of all pride upon the

As thine innocence is godless, and the lord is our judge...
Thou art now profane in death!
Sit laus deo. Exterminium haeresis. Pax vivis. Requies aeterna
defunctis.
