## The Rumble Strips

I'm so sorry that you ended up with us  
Douglas  
At your window all day long  
Such a lonely song

Oh Oh Oh  
You sing and I'll echo  
Oh Oh Oh  
You sink and I'll follow  
Well here we go

We took you down the west free world  
Oh so far away  
From the hills of home  
At your window all day long  
Such a lonely song

Oh Oh Oh  
You sing and I'll echo  
Oh Ooh Oh  
You sink and I'll follow  
Well here we go

But it's too late  
It's too late  
I'll sing along  
But I know it won't change our fate

Wooah ooh  
You sing and I'll echo  
Oh Oh Oh  
You sink and I'll follow  
Oh Oh Ooh
