

# Girls And Boys In Love

## The Rumble Strips

Just 'cause you think it,  
Don't make it so,  
Drop you to drink it,  
Won't let you go.

Plenty of girls and boys in love,  
Plenty of girls and boys in love.

Move to the city,  
Loose all your heart,  
She weren't that pretty,  
You ain't too smart.

Plenty of girls and boys in love,  
Plenty of girls and boys in love.

But ain't it a shame,  
Woaaah oooohhh,  
Ain't it a shame,  
Woaaah oooohhh,  
Ain't it a shame,  
I've let you go,

Plenty of girls... and boys in love.

Plenty of girls... and boys in love

Plenty of girls... and boys in love

Plenty of girls... and boys in love
