

## American Nights

The Runaways

Clean rock n roll  
Makes the midnight flow tonight now  
It's hot tonight  
Come on let's have a good time  
In the dark of the night  
We hunt for fun  
Chasing after the moonlight  
Hiding from the sun

American nights  
You kids are so strange  
American nights  
You're never gonna change

Our magic is young  
Cause we just begun  
We light up the sky  
Always on the run  
We live in the streets  
In the alleys of screams  
Cause we're the queens of noise  
The answer to your dreams

American nights  
You kids are so strange  
American nights  
You're never gonna change

Hey boy you're my good time  
Dance close ya feel so fine  
Hold tight we're on fire  
All night you're my desire

Everybody  
Wanna party  
Everybody  
Wanna party

American nights  
You kids are so strange  
American nights  
You're never gonna change
