

## Between Us

### The Rutles

I'm looking at you  
You're looking at me  
Between us it's oh, so easy to see  
We were made for each other, girl  
We were made for each other

Between us  
Love has begun between us  
Two hearts are one between us  
Nothing can come between us

Whatever we do  
Whenever we kiss  
Between you and me it's not hit and miss  
We were made for each other, girl  
We were made for each other

Between us  
Love has begun between us  
Two hearts are one between us  
Nothing can come between us

Between us  
Love has begun between us  
Two hearts are one between us  
Nothing can come between us  
Between us  
Nothing can come between us  
Between us  
Nothing can come  
Nothing can come between us
