

## Eine Kleine Middle Klasse Musik

The Rutles

Look at all the nice things money can buy  
Every day there's more and more  
Do you ever stop and wonder why  
You're neither rich nor poor

Eine kleine middle klasse musik

Dropping off the school kids in the second car  
Parking on the yellow line  
Getting in the shopping on a credit card  
Knowing how to choose a wine

Eine kleine middle klasse musik

Proud of your home and your neighborhood  
It's so up and coming that you feel so good

This is freedom in a land of plenty  
You get nowhere if you just stand still  
You got to hold on to what you got as best you can  
'Cause if you don't someone else will

Look at all the nice things money can buy  
Every day there's more and more  
Do you ever stop and wonder why  
You need to lock your door

Loneliness is all that people ever share  
Smuggling their pain through nothing to declare  
Living next to people who agree to disagree  
Happy in a pie-chart society
