

Kiss Like A Miracle

The Saddest Landscape

steal this! steal this!!! seal it with a kiss, lets set
it light. set it one more time. this will be our greatest
work, we'll never give a thought about the future and we
will kiss like a miracle, and i wont tell anyone about
the one two so lets share this breath. come on! come
on!!! ive seen that look before, lock it up, no more
heavy heads, this is the new now. black hair! black
hair!!! lets get off im tired of leaveing, and if we die
tonight we can call it art. my amitryptiline dreams and
anemic after thoughts will be big enough for two., we'll
complete thie night sky and you wont have to feel my
heart beat to know im still alive. dont let it! dont let
it end!!! lets misspell the test we will have our own
language; my breath. your arms. just hold on this
angelic. and you just are... and you just arexooxoxoxox
