

## The Fashion Magazines Have Succeeded

### The Saddest Landscape

They've all got knives drawn!! they've all got knives drawn!! one by one another one down. With fingertips gleaming in artificial light, just a few more keystrokes, just a few more. Anonymity has never suited someone so well, and every one's a critic with a message board to report it to talking experatly about things they were never there for. These things do hurt, keep on choking untill the words stop, i will be your signature. These things do hurt, hope you are proud of your self.
