

## Champagne Misery

The Saints

She said she thinks she's going down again  
'Cause she's so tired now of all her friends  
And she'd like to go away  
Spend some time in a foreign place  
It's no good  
Just don't know what to do

She said her life is full of misery  
She dreams of places where she'd rather be  
And she'd like to go away  
Spend some time in a foreign place  
It's no good  
Just don't know what to do

She has no time for, and she doesn't like anyone  
She's not content, and she doesn't have any fun

She said she thinks she's going down again  
'Cause she's so tired now of all her friends  
And she'd like to go away  
Spend some time in a foreign place  
It's no good  
Just don't know what to do

She has no time for, and she doesn't like anyone  
She's not content, and she don't have any fun  
Poor little girl, she doesn't have any fun  
Poor little girl, not loved by anyone  
Oh, little girl  
Oh, little girl  
Oh, little girl  
Oh, little girl
