Come on everybody and listen to Chris there's a great new dance and it goes like this! There's a great new dance that we're doin' down yonder Come on everybody it's called doin' the robot Your mother won't do it but your sister she will Cmon little baby don't you know that you will An' all the hot cats on the block have been doing it t.00C'mon now honey I wanna do it with you Well come on, well come on, well come on Let's do the robot There's a great new dance that we're doin' down yonder Come on everybody it's called doin' the robot Your mother won't do it but your sister she will Cmon now honey don't you know that you will 'Cause all the hot cats on the block have been doin' it too C'mon now honey I wanna do it with you Well come on, well come on, well come on Let's do the robot There's a great new dance that we're doin' down yonder Come on little baby it's called doin' the robot If your mother won't do it but your sister she will Cmon little baby 'cause I know that you will An' all the hot cats on the block have been doing it C'mon now honey I wanna do it with you Well come on, well come on, well come on Let's do the robot Come on and be a robot I wanna be a robot

Nine thousand robots

See you're a one of them
