

Know Your Product

The Saints

I'm just sitting in my chair
when a voice comes on the air
says why don't you try it
it'll make you feel allright
Got some great new brand of smokes
cools your head
& clears your throat
keeps you young & so in touch
Cheap advertising
your lying
your never gonna get me what I want
all that smooth talking brain washing
ain't gonna get me what I need
A great new soap that's peachy keen
saves your soul & keeps you clean
it's recommended
used by the queen
Going to improve your IQ
helps with everything you do
it's economic
don't cost too much
Advertising
your lying
your never gonna get me what I want
all that smooth talking brain washing
ain't gonna get me what I need
A Say Taking
