The Saints

I heard you made another resolution I even heard the price you paid you can be anything you ever wanted at least for now if not for ever But talk is cheap & not always recommended you can't live on favors shot down by the best of intentions I don't mind I got time & believe that... you better pick it up...all the broken pieces throw away what you don't need keep on going to all the right places sooner or later you get what you need.... When you get tired of your latest creation & are looking around for new ideas when you get bored with all your complications why not call I got time & believe that you better pick it up...all the broken pieces throw away what you don't need keep on going to all the right places sooner or later you get what you need.....
