

# Save Me

The Saints

Save me  
I want you to save me  
I said, save me  
I want you to save me right now

Promised myself that was the first romance  
I don't give ya no second chance  
It's safe to say that you're sure to find  
The closer I get to you, babe, I'm goin' out my mind

I said, save me  
I want you to save me  
I said, save me  
Come on, save me right now

Those who love always give the most  
We're cryin' together now from coast to coast  
Love leaves you cold and hurt inside  
These ills of mine, they are justified

I said, save me  
I want you to save me  
I said, save me  
Come on, save me right now  
Yeah, yeah, yeah, yeah

You always sayin' that you needed me  
But, honey, you abused my love  
You set me free but you didn't mean it now  
Somebody better help me, this gal's going so make me

I said, save me  
I want you to save me  
I said, save me  
I think you better save me right now

Call in the Caped Crusader, Green Hornet too  
I'm in so much trouble I don't know what to do  
If you think a thing about me, save me  
Don't you know, little girl, that I'm, I'm beggin' you

To save me  
I said I want you to save me  
I said, save me  
I want you to save me right now

Yeah, yeah, yeah  
I said, save me  
Save me  
Save me  
Save me  
Save me  
Save me  
Save me  
Yeah, yeah, yeah, yeah
