

## Story of Love

### The Saints

What's that you say girl?  
You did it all for me?  
But you didn't want to  
Lose your nobility  
It sounds so wrong when you say it  
It sounds so wrong when you say  
I'm not playing your fool  
But that's the story of love  
(Repeat three times)  
Yeah, that's the glory of love
