

## After The Rain

### The Samples

Out in the fields there's workers every day  
farming the land 'cause that was the only way  
but now it's a joke the thunder's a foreign sound  
we're all gonna dance  
as soon as the rain comes down  
as soon as the rain comes down

They worked so hard  
to make their ends meet  
they dream of storms  
but wake to the sweat on their feet

This summer's been hot  
the land was a desert to us  
we're all gonna dance  
as soon as the rain comes down  
as soon as the rain comes down
