

# As Tears Fall

## The Samples

If you need water  
I'm your rain  
If you need fire  
I'm your flame  
If you're resisting to go or stay  
Let all the angels take you away

I will carry you to the end  
When life is broken all will mend  
If where I'm walking isn't far enough then I'll walk farther

if you need water  
I'm your rain  
If you need fire  
I'm your flame  
I hope our children remember this good

we threw those ashes  
and there we stood

as tears fall off our faces  
as tears fall off our faces  
off our faces
