

## Seasons In The City

### The Samples

Standing on a corner fall is in the air  
When looking up at people remember not to stair  
seasons in the city  
seasons in the city

From here to New York or Chicago  
The radio's on out the window  
seasons in the city  
seasons in the city

As the world goes around I'll be waiting  
Leaves are turning brown the colors are fading  
seasons in the city  
seasons in the city

as the world goes around  
as the world goes around  
seasons in the city
