

## Summertime

### The Samples

well the trust was broke  
'cause the words were wrong  
and faith is weak  
but the wind is strong

a feather falls  
and the horses whine  
when the cold wind blows  
in the summertime

in the summertime  
in the summertime

well I don't know much  
and I don't lie  
when the cold wind blows  
in the summertime

well I won't look back  
because we made it here  
to find that truth  
was founded on lies

in the summertime
