## **Underwater People**

## **The Samples**

I woke up in the morning And all that I could see Fish are looking at me All these slimey things Floating to the bathroom To find some of my friends Really what I hoped for The dream should never end Underwater people Underwater people Underwater people Underwater people Went down to Tulagi's To find some of my friends Underwater people Around me 'till the end Swimming in a fish bowl Quite a funny thing All these freaks around you All my friends are fish Underwater people Underwater people Underwater people Underwater people Woke up underwater All that I could see Tulagi freak around me All my friends and me Underwater people Underwater people Underwater people Underwater people
