Baby, baby, baby

Come on, come on Come on, come on

What you say, Mr Lovable, hey, Mr Love-Lovable What you say, Mr Got-It-All, hey, Mr Got-It-Mr Got-It-All We got the disco love, so fun and colorful It's never winter when it's Donna Summer all year long You take me back in time to 1979 We'll be at the Bee Gees, baby, everybody "Staying Alive" Oh, is it love that's in the air? Baby, baby, baby Oh, feel the chemistry in here, Baby, baby, baby Boy, you make me feel so fine Boy, you make me feel so good Boy, you make me feel so right Baby, baby, baby Oh, is it love that's in the air? Baby, baby, baby What you say, Mr Doable, hey, Mr Do-Doable? Got me wanting the physical, hey, the physi-physical We got the disco love, so fun and colorful It's never winter when it's Donna Summer all year long You take me back in time to 1999 We hear the DJ playing "Hit Me Baby One More Time" Oh, is it love that's in the air? Baby, baby, baby Oh, feel the chemistry in here, Baby, baby, baby Boy, you make me feel so fine Boy, you make me feel so good Boy, you make me feel so right Baby, baby, baby Oh, is it love that's in the air? Baby, baby, baby Shh-shh-shh-shake me if I'm dreaming [3x] Shake me, baby, baby, baby Oh, is it love that's in the air? Baby, baby, baby Oh, feel the chemistry in here, Baby, baby, baby Boy, you make me feel so fine Boy, you make me feel so good Boy, you make me feel so right Baby, baby, baby Oh, is it love that's in the air?
