

Notorious

The Saturdays

I'm a outlaw
I'm the big boss
I'm a gangster on the dancefloor
I'm a outlaw
I'm the big boss
I'm a gangster on the dancefloor

Don't hold back
It's nice to see somebody make an effort
You know I like it in the street lights
Like I like the spotlight
Do you like me?

I l-l-love this track
So if you wanna come with me you should know
I'm like, I'm like, I'm like this beat
Yes, crazy & infectious
I make it my business
B-boy my resume says I'm a bad girl

Oh...

Oh so baby look in my eyes
Do you recognise me?
I've been a bad girl
I'm a bad girl
I'm notorious

I'm a outlaw
I'm the big boss
I'm a gangster on the dancefloor
(N-n-notorious)
I'm a outlaw
I'm the big boss
I'm a gangster on the dancefloor

Boy beware
I got a record and I'm known for my style
And everybody knows my name here
I'm the head of game here
Pleasure and the pain, yeah
Because my resume says I'm a bad girl

Oh...

Oh so baby look in my eyes
Do you recognise me?
Oh...
I've been a bad girl
I'm a bad girl
I'm notorious

Notorious, notorious
N-n-notorious
I'm notorious

I'm a outlaw

I'm the big boss
I'm a gangster on the dancefloor
The dancefloor
Oh...

So baby tell me
Can you get it from my energy?
Oh...
I've been a bad girl
I'm a bad girl
I'm notorious

I'm a outlaw
I'm the big boss
I'm a gangster on the dancefloor (dancefloor)
I'm a outlaw
I'm the big boss
I'm a gangster on the dancefloor (dancefloor)
I'm a outlaw
I'm the big boss
I'm a gangster on the dancefloor

Oh so baby look in my eyes
Do you recognise me?
I've been a bad girl
I'm a bad girl
I'm notorious
