The Saturdays

My love for you, Is stronger than love itself,
I do what it takes to keep you all to myself,
Dehydrated most the time,
from the lack of your touch,
But when not receiving enough,
Is not ever enough,

cause I could go on and on,
with reasons I should stay,
and I could go on and on,
with reason I should go away,

Its unofficial, that's the love that you give to me,
Its artificial, and its never unconditionally,
So why can't you show the world I'm yours,
Why can't you show the world I'm yours,
So why can't you be cursed unofficial

I layed my head against your heart,
With my arms rapped around you,
Told you no matter what,
I will always be here for you,

You said,
You were happy to hear this
You could be sensitive too
But then the next 2 weeks later,
I still hear nothing from you ,
Cause I could go on and on,
With reasons I should stay,
And I could go on and on,
with reasons I should go away,

Its unofficial, that's the love that you give to me,
Its artificial, and its never unconditionally,
So why can't you show the world I'm yours,
Why can't you show the world I'm yours,
So why can't you be cursed unofficial
