

## Only One Girl

The Saw Doctors

I've been around the world  
I've traveled many seas  
I've seen a lot of pretty girls  
But there is only one girl for me  
Only one girl for... Only one girl for...  
Only one girl for me  
Only one girl for... Only one girl for...  
Only one girl for me  
The man that I would be  
The man that you would hear  
I only wish that you could see  
The power I have when she is near  
Only one girl for... Only one girl for...  
Only one girl for me  
Only one girl for... Only one girl for...  
Only one girl for me  
You can call it infatuation  
You can call it an act of faith  
You can say that I'm only having you on  
But there is one thing that I have to say  
(There is only one girl)  
(Only one girl for... Only one girl for... Only one girl for me  
)
