

Dear Time Traveler

The Scene Aesthetic

I'll approach you and wait, it's been several weeks coming,
And I'd give it up, give it away,
To be able to tell you how I really feel,
And how I'd give it up to hear you say,
'Cause were counting the seconds and minutes we've spent here,
Can't seem to just throw you away,
When it's all said and done dear and were packing our things,
Will the memories keep me thinking?

So where do we go when it's all over,
And will you be coming back, coming to me?

'Cause I've been waiting here to declare a new meaning,
To feel the way I do and it just happens to be,
One of the things that I'd like pretend,
'Cause I know you can't stand,
When I wake up, hold on to your hand and I'm sorry I'm not strong enough,
To let go of the things that I love way too much

Come to me and I'll tell you the story,
Of how I became the way that I became,
Set aside all the things that you've heard in the past,
I have reasons but I'm still the same,
Light my way back home cause I'm feeling so alone

Then there's you, I'm tired of waiting,
When are you coming back, coming to me?

'Cause I've been waiting here to declare a new meaning,
To feel the way I do and it just happens to be,
One of the things that I'd like pretend,
'Cause I know you can't stand,
When I wake up, hold on to your hand and I'm sorry I'm not strong enough,
To let go of the things that I love way too much

Light my way back home cause I'm feeling so alone
Light my way back home cause I'm feeling so alone

'Cause I've been waiting here to declare a new meaning,
To feel the way I do and it just happens to be,
One of the things that I'd like pretend,
'Cause I know you can't stand,
When I wake up, hold on to your hand and I'm sorry I'm not strong enough,
To let go of the things that I love way too much
