

Katy (Give Me A Shot)

The Scene Aesthetic

Katy, I know you're blue
But what can a man like me do?
'Cause I could love you better
Oh, and I have known forever
Oh, let's make our way together
Give me a shot
Give me a shot

'Cause everybody waits for love
And I know that you wait for love
'Cause everything you've ever wanted
Could be yours if you'd just
Give me a shot
Give me a shot
And hold out for love

Katy, I know I'm right
Just give it a little more time
'Cause I could love you better
Oh, and he would love you never
Oh, let's make our way together
Give me a shot

'Cause everybody waits for love
And I know that you wait for love
'Cause everything you've ever wanted
Could be yours if you'd just
Give me a shot
Give me a shot
And hold out for love

Hold out for love
Hold out for love
Hold out for love

Everybody waits for love
And I know that you wait for love
'Cause everything you've ever wanted
Could be yours if you'd just
Give me a shot
Give me a shot

Give me a shot
Katy, give me a shot
Give me a shot
Katy, give me a shot
And hold out for love
Hold out for love
