

# The Man I Am

## The Scene Aesthetic

Look at me,  
I lost control of my life,  
At age twenty-three.  
I've been so lonely lately.

Without you here,  
You were my bestfriend and companion,  
Now you're no where near,  
And it's killing me.

Everything you do,  
Makes me fall in love with you,  
I fought a little harder,  
Each and every day.

And it hurt so bad,  
To know what we had is gone,  
But I'll still treasure every letter,  
That you sent.

Look in my eyes,  
Tell me that I lie,  
Cause I've never been so sure of anything,  
In my life.

I told you that I loved you once,  
And I meant every word I said,  
And I will love you till,  
The day that I am dead.

I spent two years,  
Doing everything I could,  
To keep you happy,  
You meant everything to me.

And I'll always remember,  
The countless times we laid in bed,  
You sleeping by my side,  
I still think about it every night.

Everything you do,  
Makes me fall in love with you,  
From your laugh and smile,  
To every little tear.

I know that you stopped crying,  
And I'm so glad that you moved on,  
But this heart still hasn't set sail,  
It appears.

Look in my eyes,  
Tell me that I lie,  
Cause I've never been so sure of anything,  
In my life.

I told you that I loved you once,  
And I meant every word I said,

And I will love you till,  
The day that I am dead.

Look in my eyes,  
Tell me that I lie,  
Cause I've never been so sure of anything,  
In my life.

I told you that I loved you once,  
And I meant every word I said,  
And I will love you till,  
The day that I am dead.
