

Living In England

The Screaming Jets

I didn't want to be so superstitious
I didn't want to say that I was wrong
But does New Orleans have voodoo
Does cocaine make you chew
Are you acting like I wanted you to do
Living in England
I don't have to act like I'm having fun
Sitting here in the sun
In England
In the jazz land I kept flashing to Angel Heart
In the heat you'll watch the fans go round and round and round
In that heart pumping south
It knocks my head about
Are you acting like I wanted you to do
Living in England
I don't have to act like I'm having fun
Sitting here in the sun
In England
When I'm out and dreaming
When I'm on my own
When I'm out and dreaming
Living in England
I don't have to act like
I'm having fun
Sitting here in the sun
In England
