

# If You Ever Come Back

## The Script

If you're standing with your suitcase  
But you can't step on the train  
Everything's the way that you left it  
I still haven't slept yet

And if you're covering your face now  
But you just can't hide the pain  
Still setting two plates on the counter  
But eating without ya

If the truth is you're a liar  
Then just say that you're okay  
I'm sleepin' on your side of the bed  
Goin' out of my head now

And if you're out there tryna move on  
But something pulls you back again  
I'm sitting here tryna persuade you  
Like you're in the same room

And I wish you could give me the cold shoulder  
And I wish you could still give me a hard time  
And I wish I could still wish it was over  
But even if wishing is a waste of time  
Even if I never crossed your mind

I'll leave the door on the latch  
If you ever come back, if you ever come back  
There'll be a light in the hall and the key under the mat  
If you ever come back

There'll be a smile on my face and the kettle on  
And it will be just like you were never gone  
There'll be a light in the hall and the key under the mat  
If you ever come back, if you ever come back now  
Oh, if you ever come back, if you ever come back

Now they say I'm wasting my time  
'Cause you're never comin' home  
But they used to say the world was flat  
But how wrong was that now?

And by leavin' my door open  
I'm riskin' everything I own  
Something I can lose in the breakin'  
That you haven't taken

And I wish you could give me the cold shoulder  
And I wish you can still give me a hard time  
And I wish I could still wish it was over  
But even if wishing is a waste of time  
Even if I never crossed your mind

I'll leave the door on the latch  
If you ever come back, if you ever come back  
There'll be a light in the hall and the key under the mat  
If you ever come back

There'll be a smile on my face and the kettle on  
And it will be just like you were never gone  
There'll be a light in the hall and the key under the mat  
If you ever come back, if you ever come back now  
If you ever come back, if you ever come back

If it's the fighting you remember or the little things you miss  
I know you're out there somewhere so just remember this  
If it's the fighting you remember or the little things you miss  
Oh, just remember this, oh, just remember this

I'll leave the door on the latch  
If you ever come back, if you ever come back  
There'll be a light in the hall and the key under the mat  
If you ever come back

There'll be a smile on my face and the kettle on  
And it will be just like you were never gone  
There'll be a light in the hall and the key under the mat  
If you ever come back, if you ever come back now  
If you ever come back, if you ever come back

And it will be just like you were never gone  
And it will be just like you were never gone  
And it will be just like you were never gone  
If you ever come back, if you ever come back now
