

# Rain

## The Script

Woke up this morning, can't shake the thunder from last night  
You left with no warning and took the summer from my life  
I gave you my everything, now my world it don't seem right  
Can we just go back to being us again?

'Cause when I'm sitting in the bar  
All the lovers with umbrellas always pass me by  
It's like I'm living in the dark  
And my heart's turned cold since you left my life  
And no matter where I go  
Girl, I know if I'm alone, there ain't no blue sky  
I don't know what I'm doing wrong

'Cause baby, when you're gone  
All it does is rain, rain, rain down on me  
Each drop is pain, pain, pain when you leave  
It's such a shame we fucked it up, you and me  
'Cause baby, when you're gone  
All it does is rain

And it feels like  
Oh-oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh-oh  
And it feels like  
Oh-oh-oh-oh-oh-oh  
'Cause baby, when you're gone  
All it does is rain

Yeah  
I tried to find shelter here in the arms of someone new  
But I'd rather be there under the covers just with you, ooh  
'Cause you were my everything, now I don't know what to do  
Oh, I'm caught up in the storm

'Cause baby, when you're gone  
All it does is rain, rain, rain down on me  
Each drop is pain, pain, pain when you leave  
It's such a shame we fucked it up, you and me  
'Cause baby, when you're gone  
All it does is rain

And it feels like  
Oh-oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh-oh  
And it feels like  
Oh-oh-oh-oh-oh-oh  
'Cause baby, when you're gone  
All it does is rain

'Cause when I'm sitting in the bar  
All the lovers with umbrellas always pass me by  
It's like I'm living in the dark  
And my heart's turned cold since you left my life  
And no matter where I go  
Well, I know if I'm alone, there'll be no blue sky  
I don't know what I'm doing wrong

Baby, when you're gone  
All it does is rain, rain, rain down on me  
Each drop is pain, pain, pain when you leave  
It's such a shame we fucked it up, you and me  
'Cause baby, when you're gone  
All it does is rain

And it feels like  
Oh-oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh-oh  
And it feels like  
Oh-oh-oh-oh-oh-oh  
'Cause baby, when you're gone  
All it does is rain
