## The End Where I Begin

**The Script** 

Sometimes tears say all there is to say Sometime your first scars won't ever fade away

Tried to break my heart, well it's broke Tried to hang me high, well I'm choked Wanted rain on me, well I'm soaked, soaked to the skin It's the end where I begin, it's the end where I begin

Sometimes we don't learn from our mistakes And sometimes we've no choice but to walk away, away

Tried to break my heart, well it's broke Tried to hang me high, well I'm choked Wanted rain on me, well I'm soaked, soaked to the skin It's the end where I begin, it's the end where I begin

Now I'm alive and the ghosts are gone I've shed all the pain, I've been holding on The cure for a heart is to move along So move along, so move along

Now I'm alive and the ghosts are gone I've shed all the pain, I've been holding on The cure for a heart is to move along So move along, so move along

Now I'm alive and the ghosts are gone I've shed all the pain, I've been holding on What don't kill a heart only makes it strong

Sometimes tears say all there is to say Sometimes your first scars don't ever fade away

Tried to break my heart, well it's broke Tried to hang me high, well I'm choked Wanted rain on me, well I'm soaked, soaked to the skin It's the end, end where I, end where I, end where I begin It's the end where I, end where I, end where I begin

Sometimes we don't learn from our mistakes And sometimes we've no choice but to walk away, away
