

# The Energy Never Dies

## The Script

I cross my heart and I hope to die  
May God strike me down if I tell you lies  
Stay here forever looking your eyes  
24/7 baby 3-6-5  
I'll take your hand and I'll hold real tight  
I'll tell you life's just for playing so don't think twice  
Let's catch the moment in a flash of light  
24/7 baby 3-6-5  
If we gonna feel alive, let's feel it now

We could all be blown to pieces  
Cause time's a ticking bomb  
We could all be dead tomorrow  
But our love will carry on  
When you know your days are numbered  
And you're looking in my eyes  
It's not the end, cause the energy never dies

Oh, oh oh, oh, oh

I felt fear when I never got up  
I stay here forever till I turn to dust  
Just take every minute make it last for life  
24/7 baby 3-6-5-5-5

We could all be blown to pieces  
Cause time's a ticking bomb  
We could all be dead tomorrow  
But our love will carry on  
When you know your days are numbered  
And you're looking in my eyes  
It's not the end cause the energy never dies

Oh, oh oh, oh, oh  
Cuz the energy never dies  
Oh, oh oh, oh, oh  
Cuz the energy never dies  
Oh, oh oh, oh, oh  
There's no way, there's no way  
There's no start, there's no end  
Cause this love transcends  
I found you before and I'll find you again  
There's no way, there's no way  
There's no start, there's no end  
So if we're gonna feel alive  
Then let's feel it now

We could all be blown to pieces  
Cause time's a ticking bomb  
We could all be dead tomorrow  
But our love will carry on  
When you know your days are numbered  
And you're looking in my eyes  
It's not the end, cause the energy never dies  
Oh, oh oh, oh, oh  
Cuz the energy never dies  
Oh, oh oh, oh, oh

Oh, oh oh, oh, oh

I'll take your hand and I'll hold real tight

I'll tell you life's just for playing so don't think twice
