

Happiness Is Eggshaped

The Seahorses

Happiness is eggshaped
And love's a circle with no end
It's only four o'clock in the morning
And you're still driving me 'round the bend

I'll tell you something, I'll tell you, it's true
I've got a letter to send to you

It's twenty feet tall and it's sprayed on a wall
I'm gonna post from a fifth floor window
Yeah, yeah, crash it right down on your car
I don't know maybe then that'll teach you
Not to kiss the sky too hard

I'll tell you something, I'll tell you true
I've got a letter to send to you
You're too busy dreaming so what am I gonna do?

I got to get you right off from my back
'Cause you're no fun, girl
My whole world's turning black
'Cause you're no fun, girl

I know it's two sides to every story
You can keep your kiss of death
'Cause I choose glory, yeah

Happiness is eggshaped
And love's a circle with no end
It's only four o'clock in the morning
And you're still driving me 'round the bend

I'll tell you something, I'll tell you, it's true
I've got a letter to send to you
You're too busy dreaming so what am I gonna do?

I got to get you right off from my back
'Cause you're no fun, girl
My whole world's turning black
'Cause you're no fun, girl

I know it's two sides to every story
You can keep your kiss of death
'Cause I choose glory, yeah
