Have You Ever Loved Somebody

The Searchers

You say that you want me and now that you've got me you're gone So think what you're doin' or else you'll regret what you've done Don't come back tomorrow and say what we did wasn't right You'll cry on your pillow and find it hard to sleep at night

Have you ever loved somebody Don't you know just what it's like Hurting someone that you're close to Have you ever loved all night, all night

Remember what happened the last time that you said goodbye Remember the sayin' that once bitten now means twice shy It's no use me cryin' there is no denyin' it's right But thinkin' has ruined the feeling that we had to fight

Have you ever loved somebody Don't you know just what it's like Hurting someone that you're close to Have you ever loved all night, all night

If you hear people talkin' now Will you laugh or cry? If you cry I'll sympathize with you If you laugh I'll die, if you laugh I'll die

Have you ever loved somebody Don't you know just what it's like Hurting someone that you're close to Have you ever loved all night, all night
