I'm so hungry, so hungry for love  
I'm so hungry, so hungry for love  
What's the use of worryin', you don't care about the mood I'm i  
n  
I just want to spend every week, every day, every hour with you  
,  
Oh won't you change your mind, and be a little kind,  
I'm so hungry for love

Just remember and you'll feel so glad  
There were times when you made me feel bad  
What's the use of worryin', you don't care about the mood I'm i  
n  
I just want to spend every week, every day, every hour with you  
,  
Oh won't you change your mind, and be a little kind,  
I'm so hungry for love
