

# Hey Girl

## The Secret Handshake

I don't wanna be a lover  
If your don't wanna be my friend  
And I don't wanna be a lover  
If you can't love me till' the end  
It's like you've done this before  
You love to do this to me  
Push my head down to the floor  
My knees are feeling so weak  
I'm feeling outta control  
This doesn't even seem real  
To me whoaa

So how you gonna walk away from me when I'm talking to you?  
And how you gonna walk away from me when I tell you the truth?  
And how you gonna walk away from me when I'm talking to you?

I don't wanna be a lover  
If you don't wanna be my friend  
And I don't wanna be another  
Relationship you brought to an end  
It's like a try to ignore the things you sayin to me  
Push my head down to the floor

My knees are feelin so weak  
I'm feelin outta control  
This doesn't even seem real  
To me whoa

So how you gonna walk away from me when I'm talking to you?  
And how you gonna walk away from me when I tell you the truth?  
And how you gonna walk away from me when I'm talking to you?
