

Love Of My Trouble

The Secret Handshake

Tell me you see
Only light here
Only time will tell me
Must be mistaken
I swear I'm not moving
And only the work I do
Could explain
Unless we're pretending to be

'Cause baby, you're nothing
More than love
Love of my troubled youth
'Cause baby, you're nothing
Baby, you're nothing
But the love of my troubled youth

Welcome to
I said move to me
Wondering if I'm falling
Must not be calling my name
(Not too fast, not too slow)
Two stones together were falling
Must not be holding the reigns again

'Cause baby, you're nothing
More than
The love of my troubled youth
And you're nothing
Baby, you're nothing

'Cause baby, you're nothing
Of my troubled youth

So keep your eye on the screen
It's where you will be
In just a few years

Keep your eye on the screen
It's what you will see
It tells you to hear

Fall right back on me
It's just what I need
To tell you the truth

And keep your eyes on the screen
It's where you will be
In just a few years

'Cause baby, you're nothing
More than
Baby, you're nothing
More than
'Cause baby, you're nothing
More
'Cause baby, you're nothing
More than

The love of my life
The love of my life
