

# Nothing Much

## The Secret Handshake

Your goodbyes seem a little uneasy  
As of lately this month  
And I'm beginning to wonder  
If it's time for me  
To write this song  
To right this wrong  
And that's alright

You know the one where I question our love  
Question our fight  
Then question myself

You know the one where I question our love  
Question our fight  
Question..

I just wanna be sure  
I mean, maybe it's over  
And I'm not real sure  
I think too much

Cause I'm aware if I don't play my cards right  
That this game could be ending  
And that's alright  
Cause I'm aware if I don't play my cards right  
That this game could be ending  
I'm leaving you tonight

P.s. just let me know what you're thinking about right now  
P.s. just let me know what you're thinking right now

You know the one where I question, question our love  
And then question, question our fight  
And then question why I'm here

You know the one where I question, question our love  
And I question, question our fight  
And wonder..

Cause I'm aware if I don't play my cards right  
That this game could be ending  
And that's alright  
Cause I'm aware if I don't play my cards right  
That this game could be ending  
I'm leaving you tonight

Cause I'm aware if I don't play my cards right  
That this game could be ending  
And that's alright  
Cause I'm aware if I don't play my cards right  
That this game could be ending  
I'm leaving you tonight
