### The Secret Handshake

Oh, oh, oh,

Wait for you, forever,  
Its what I'm doing tonight,  
Tonight, alone,  
Oh,  
All of us here,  
Are waiting around,  
And not thinking straight,

Oh,  
I am checking on the inside,  
Just to see another picture,

I just wanted to see you happy,  
To see a difference in the picture,

I just wanna, keep on checking  
To see if I see just something different,

I just wanna,  
See your picture,  
See your picture,

I wanted,  
To tell you,  
What you did not know,  
I wanted,  
You to be,  
My everything,

Oh,  
I'm patiently waiting,  
For you to come back home,  
For this to be something more,

Oh,  
I am checking on the inside,  
Just to see another picture,

I just wanted to see you happy,  
To see a difference in the picture,

I just wanna, keep on checking  
To see if I see just something different,

I just wanted,  
See your picture,  
See your picture,  
Oh,  
All of us here,  
Are waiting around  
For something new,  
Something you,  
And we are not the ones,  
You wanted us to be,  
And thats all right for me,

Its what I wanna be,

Oh, oh, oh,  
Oh, oh, oh,  
Oh, oh, oh  
Oh, oh, oh

Don't let me go,  
Don't tell you so,  
I wanna see something different,  
Don't let me go  
Don't tell you so,  
I wanna be the one to love,  
Love,

Oh,  
I am checking on the inside,  
Just to see another picture,

I just wanted to see you happy,  
To see a difference in the picture,

I just wanna, keep on checking  
To see if you see just something different,

I just wanna,  
See your picture,  
See your picture  
Oh
